Add section on cooperation to cbcvo web site. Share your story with us.

Prosperity Framework (Eric) – where does social sector fit in? Social enterprise links nonprofits and economic prosperity. Social enterprise plus nonprofit sector, how to fit it all in? 40 invites, 20 attended. Meeting shared ideas and issues. Further work will be done. Fred Deveaux will draft terms of reference for the group. Meet again late Jan, early Feb.

Sense of “enterprising nonprofits” as need to generate income increases. Community ownership of assets, coops etc? Need to recognize triple bottom line in new development initiatives.
